November 29th - December 7th, 2008
Reception: Saturday, November 29th, 8 - 11 PM

*Oh great calamity,
Ditch of iniquity and tears
How I abhor this place
Its sweet and bitter taste
Has left me wretched, retching on all fours
Los Angeles, I'm yours*
-The Decemberists

Long frustrated and enamored with the utopia/dystopia that is Los Angeles, Adriana Yugovich has been collecting snippets of the city via object and image for the past seven years. Favoring the unpredictable, yet often sublime results from toy, novelty and disposable cameras, Adriana's snapshots are tiny metaphors for the transient nature of Los Angeles' diverse cultural (and perhaps not so cultural) landscapes. *Some Photographs* present a selection of quick moments -- both dirty and lovely -- captured with her 2-megapixel cell phone camera.

Adriana Yugovich received her BFA in Photography and New Genres from the University of Michigan, Ann Arbor and her MFA in Fine Art from California Institute of the Arts. She lives in Eagle Rock, CA, where she works as a cartoonist.
