

FOR IMMEDIATE RELEASE

Hee : Toward to the Universe : Hee Jung, A Solo Show

November 29th- December 7th, 2008

Reception: Saturday, November 29th, 8 – 11 PM

"HEE : CONSTELLATION"

Artist's Statement

As I started to think about the group solo shows, I figured that I have to do a self-portrait piece. My first show should be something that will seed a small amount of creativity that eventually make the world a little bit better place in a way, or it should at least boost my spirit to create energy for me to put myself into other great great things.

It is a self-portrait 3D drawing as like one of the invisible constellation images in the sky. I hope the piece can convey many colorful thoughts of the audience, so it can tell a different story to each individual.
