November 29th- December 7th, 2008

Reception: Saturday, November 29th, 8 – 11 PM

Sea and Space Explorations is proud to present Kevin McCarty's *Last Resort*, A Solo Show of one color photograph. The image in *Last Resort* depicts a young punk rocker passed out at a picnic table during a nighttime crowded backyard party. The tension between the silence and energy creates an intoxicating portrait of alienation and nihilism.
