Sea and Space Explorations is proud to present ABOUT ME: A SOLO SHOW,
BY SETH LOWER.

In continuation with his subjective inquiries, Lower has contacted people with names like his—Beth Lower, Seth Lowe, etc. and put himself in their shoes. With his photographic series *Profile Pictures*, Lower uses himself as a model to re-stage self-portraits found on MySpace and Facebook.

Also included in the exhibition is a correspondence with Beth Lower, who sent the artist a 24-hour schedule of her average Saturday. The artist then lived a day in the life of Beth, a librarian at Oxford University, recording his experiences and observations. Unforeseen conflicts arise when Beth requires the artist to “coo over” babies, despite the artist’s dislike of infants.

The exhibition will be open during regular hours from November 29 through December 7 with an opening reception November 29 at 8pm.
