

**FOR IMMEDIATE RELEASE**

\_\_\_\_\_ : \_\_\_\_\_, *A Solo Show*  
*Your show title here*      *Your name here*

**November 29<sup>th</sup> - December 7th, 2008**

**Reception: Saturday, November 29<sup>th</sup>, 8 – 11 PM**

Sea and Space is offering **every artist we know** a solo show in late November. The **largest solo show ever** will feature the work of 100 artists, who will be able to **list this solo show on their resume** by entering their name and show title into the blanks in the central title. The show will enhance the careers of all artists, subverting the way art projects are documented and defined.

While there is no limitation on the number of works for this show, artists will be sharing limited space. Work will hang from the walls, ceilings, rolling walls, and pedestals redefining solo show presentation and practice. Work may even be leaning, with care, on someone else's.

Many of the pieces will **roll over into** the next show, the **holiday raffle**. This fundraiser will help Sea and Space Explorations raise the application fees to attain non-profit status.
